

MASTER CATALOGUE

Where Artistry, Variety, and Sustainability Converge.

We transform raw earth into exquisite functional art. Driven by a passion for innovative design, our collections seamlessly blend timeless elegance with contemporary aesthetics.

Each piece—from minimalist tableware to intricate tile patterns—is crafted by skilled artisans and designers who prioritize both form and function, ensuring beauty enhances everyday living.

Diversity defines our essence. We offer comprehensive collections spanning ceramic tiles, bespoke tableware, decorative objects, and architectural solutions.

Whether for residential sanctuaries, commercial spaces, or hospitality environments, our versatile range caters to varied tastes and applications, uniting durability with artistic expression.

We Deliver Sustainable & Healthy Tile Solutions for Global Projects

Our tiles have been officially certified by the Singapore Green Building Council (SGBC), complying with international high-standard green building requirements. Adhering to people-centric and sustainable principles, we enforce strict quality and environmental control throughout raw material selection, production and delivery. Our products are low-carbon, non-toxic and harmless, ensuring both excellent aesthetic performance and a healthy living environment. Backed by authoritative international green certification, we provide compliant, durable and eco-friendly tile solutions for global green construction projects.

- Authoritative SGBC Green Certification for Global Projects
- Zero Harmful Emission & Health-focused Material
- Low-carbon Manufacturing & Sustainable Development
- International Standard Quality for Overseas Construction

We has the perfect solution according to effect, finish and thickness.
